Greg,

Of course it matters- just like you matter to God and to us. As A gift- since I didn't know until awhile ago that it was your birthday- may I offer you this Birthday prayer I wrote this year. I pray that it is yours too.

~Heavenly father, what You have given me in this last year (and in this life), I could never repay You for. How You fashioned me by Your own hand and brought purpose to my life.

How You created winds to direct me, how You continue to guide me down an oh, so narrow path; a path laid out only by You.

I know I was created to glorify Your name, and You are changing me and equipping me day by day to be able to bring You this glory.

I thank You that You have opened my eyes to see You, not only as my God and my Savior, but as my King and my real true Love.

I thank You that You have opened my ears to hear You. I thank You for the precious ways You show me that You are near.

As I grow deeper into You, I fall more in love with You. To know this love affair with the Most Holy - there are no words.

Every breath I have is yours. Let every motive be for Your gain and not mine.

As I look back a year from now, may I know I've brought You gladness. May I have learned to rest in You completely.

I can only hope that, with my life, I can bring you the glory and honor that You so deserve.~

HAPPY BIRTHDAY GREG!

My Dear, Dear Brother and friend.

To you a most wonderful Birthday!
I praise God that He has used you as He has.

I saw this last night and wanted to rebuke you for the '*not that it matter's*' part.

It certainly does matter!!!!

But I know what you meant...

We love you brother. My... when I was 25... O Praise God that He got His hook's in you early!

The work being done here, when I stop to think of the immensity of it all, the lives it has touched around the **World!**
Oh we just don't know the half of it.
What it has done in my life...I am ever so grateful.

Rejoice my brother!
The Lord is working in and through you.
What an honor it is to have gotten to know you my friend.

May this day be filled with joy for you!

Happy Birthday Greg!

Jonathan :-)

Praise be to God for giving you another year. He's working great blessing through your efforts here.

It's encouraging just to know God has kept this many saints for Himself among the "connected" world.

The sermons themselves are extremely helpful, it's almost (almost) like being able to sit under men of God and listen as did their congregations.

I don't think I could begin to enumerate how many ways this site is a blessing to me, so I'll leave it at that :)

God's grace be with you, at 25 and beyond,
-Keith

I'm just so happy Greg to see you putting your life in His hands! You are an encouragement to many and we just praise the Lord that we have such a brother as you!

May God that glorious work he is doing in your heart (Phillipians 1:6). Praise the Lamb of God!
