Dear Broadcaster,

We are glad for your interest in becoming a Broadcast Location for this year's SermonIndex Simulcast in partnership *with Heavens Family*. There are just a few simple requirements to be listed as a location:

1. You need to be a **physical location such as a Church or Rented hall**. If you are a **home church** fellowship please indicate this when you send us an email. For normal home users please just use the webcast stream which is free also.
2. You will need a **high speed internet** connection that has a download speed of 500k or (.5mps) This can be simply tested at: <http://www.speedtest.net/> on your connect where you will be broadcasting from.
3. You will need a **digital projector or large TV** screen at the front to display the webcast from your computer setup.
4. **Commitment to broadcast all sessions** (7-8:30pm (EST) Friday September 6th and 9am-8:30pm (EST) Saturday September 7th)

SIMPLE SIGNUP PROCESS:

To signup as a location send an email to sermonindex@gmail.com with the following details:

1. Contact Person / Phone Number / Email (*do note that we will be publishing this contact information on the website so people can ask questions about the specific location*).
2. Venue Name and seating capacity
3. Venue Physical address
