That's why standing in the name of National Seat of Christ, I ask the rest of my ten and a half to see that he was only so weak that we can win. Thank you for your coming over here. I said, we can exist in the same.

Oh, I only want to take a glimpse of some department. If you are a child of God, one day we shall see this. This is heaven's story.

It is not a story. It is not a story. We will be there.

Welcome to our lecture. We are the people, we are the people. This is Chabra, brother of Baksing, attended the funeral and thanked all the believers.

Chabra, so deeply moved that it is wrong to say that Prophet Baksing has died. As I said, this morning also, Adam is dead and Christ is conscious of death. Therefore, one single martyr living in this world was not translated.

I said one single martyr was proved. He had to take two complete hundred persons out of their graves. This is the point.

Where can you move to any direction that you want? And as I said, I claim my name because both of us were born of the same parents. Both of us were born of the same parents. I am not saying that I am the

father of Adam.

But you are. But also, the real brother and sister were born again. Therefore, all of you, if you have faith in Christ, you will surely be brothers and sisters of Baksing.
