## Description

Chuck Smith discusses the signs of the times as outlined in Matthew 24, drawing parallels between current global crises such as wars, famines, and pestilence with the days of Noah. He emphasizes the moral decline and increase in crime, referencing the alarming statistics of armed criminals in the U.S. and the spiritual dangers of occultism and mysticism. Smith warns of a coming dictator, the Anti-Christ, and encourages believers to remain vigilant and aware of the prophetic signs, likening them to the budding of the fig tree as a sign of the approaching end times.
