Transcript

The thought of someone rising from the dead and saying all authority in heaven and on earth has been given to me, that's a huge statement. Go therefore and make disciples of all nations. So it starts with Jesus saying follow me, I'll make you fishers of men, at the end he says now go and make disciples of all nations.

This is what you were created for. A lot of people have memorized this passage but are they doing it? Is it actually happening? We're all afraid, we all have insecurities, can we work together to get rid of those and pray that God gives us power over those things and then actually observe, actually go and do what he commanded us to do. So the heart behind Multiply is to help us remember, remind each other, hey we're disciples of Jesus, that means we make disciples of Jesus.

This is not just for the super gifted, the super talented. I really believe as we're doing this we're really going to experience the presence of Christ with us in a much more full way, in a much more real tangible way. I mean that's why he gave us the Holy Spirit, was he says look I'm going to give you this Holy Spirit and when he comes you're going to receive power to be my witnesses.

The heart behind Multiply is saying how can we encourage every single follower of Christ to fish for men, every single disciple of Jesus to make disciples of Jesus and then along the way equip one another, help give one another tools that can be helpful in the process of making disciples so that you and I together can

be a part of accomplishing the greatest mission on the planet, seeing disciples made in every single nation, among every single people group.
