Transcript

Well, how do you live? How do you live in view of this? Sober-minded. How do you live in view of this? You should earnestly love one another. I love that, right? All this destruction's happening and what's Peter's focus? Love one another.

He didn't even say go evangelize. He talks about your conduct being a witness of the truth, but Peter's whole emphasis is for us to love one another. To love each other in the midst of suffering.

To be there. To bear one another's burdens. To not grumble.

To cover over sin. This is the type of people we ought to be in the midst of this. This is what eternity should do to us being gripped with eternity.

It should make us just recognize this reality.
