Jane Lead reflects on a vision she had of a pure azure blue circle rising into a white transparent flame that grew stronger with sprinkles upon it. Despite not fully understanding the significance of the vision at that moment, she contemplates on the spiritual message it holds and the eternal mysteries it unveils, emphasizing the importance of seeking deeper revelations from the Spirit. Through her experience, she encourages her listeners to be open to divine encounters and to patiently wait for God's timing in revealing the hidden truths and purposes He has for each individual.

## Transcript

Towards the Morning, being in contemplation of what the Spirit Ministred unto me of Eternals, I saw as in a Circle a pure azure Blew rise out, that turned into a white transparent Flame, which by somewhat that was sprinkled upon it did mightily encrease. The Vision passing away, and being prevented at that season, of waiting for an opportunity of it, I could not know its signification.
