Transcript

In the Night after my first Sleep, somewhat I saw, like a round Ball, mixed with all manner of Colours very oriental, and it darted down from an invisible Region to the Earth, where it seemed to sink in. After which it was said to me, that this was the Stone, upon which the Kingdom of Heaven was founded. Then this Word further did Spring: Inviting to be strong, and to hold fast those precious things, which are laid in, for the transparent Temple of the Holy Ghost: in order to that Kingdom, that will be all consisting of God's Omnipotency, in this Resurrection-Day, when the flying Banner of Almighty Power shall it self display.
