Transcript

In the Morning the Word did sound in me, saying, The Lamb of God, who must restore the Creation, is now putting on the Horn of his Power, wherewith he will push down, that long fixed Seat of the Beast. Which yet for a little space will make great War. And all Nations will break in, as a Sea, to uphold and strengthen that, which this Mountain-Stone, will suddainly, as a Mill-Stone fall upon. Whose Head-Power is to be crushed first in them, who are to join with the Lamb, that they may go forth, (as Captains of the Lord's Host) in Spiritual Armour, with Jesus their Head, and overturn the Kingdom of the Beast.

That shall give place to him, who is called the Word of God, that doth make War in Righteousness.

Be ye now wise, and know, this is an acceptable Season to provide against the Cloud, which does rise from the troubled Sea.
