Transcript

Being waiting this Morning in my Spirit, for some fresh Discovery, and Visitation, all being quiet and still within. I then saw a Place, whereupon was the Engraving of a Key, held by the Form of a Hand, and there was Written about it, This is that, which has Power to open the seven Properties of Eternal Nature. The Engraving was so plain, as I could read it, though my outward Eyes were closed. Ah Lord! Open this deep thing, and shew it in its own Simplified meaning; for sure there is much in it.
