Transcript

People in the church who come to you with arguments and debates and questions and you go, you better be able to discern that's from the pit of hell. Because you know what, if it doesn't speak according to this book, it is of the devil. You have a real enemy and adversary.

Well, I think you should do this. Hey, relax, we don't need to do that. You don't need to believe this.

Do you honestly think that could be the Holy Spirit whenever this book is so, so absolutely clear? And so Satan uses people. He can use people to hinder you. He stirs up emotions, plans, thoughts.

He suggests opposition. When a Christian is on his way to do things that are good, good desires, good things in the church, it is Satan who opposes that.
