## Transcript

In the morning, the other in the evening, then it says a few verses later in 42, this shall be a continual burnt offering throughout your generations at the door of the tabernacle of the congregation before the Lord where I meet with you and I speak to you there. So you're to keep this going perpetually in every generation. You older generation are to pass it over to a younger generation and every generation is to keep doing this morning and evening, morning and evening, every single day of every single year of every single generation.

There is to be a royal priesthood that keep the whole thing alive every morning. Do you see the importance of just daily devotion? If you lose the morning sacrifice and the evening sacrifice on a daily basis, you lose the whole impact on generations.
