Transcript

Verse 14, and he came to the disciples, Jesus, he saw a great multitude around them and scribes disputing with them. Immediately when they saw him, we need to see him, all the people were greatly amazed and ran to him, greeted him, and he asked the scribes, what are you discussing with them? Do you think Jesus knew the answer to this already? Yes or no? Yes, he already knew the answer to this. We need fresh revelation of who Jesus is.

You know why they're disputing back and forth? Because they don't really see him. You know why there's arguments in your marriage, in your family, in your church, in your life? Why there are disagreements, why people like to squabble and argue about things that don't matter because they don't see him, they don't see him. I don't have time to land on that one, but a lot of the division in the body of Christ is simply because most people don't know him and I let alone don't think they're saved, but, all right.
