We're going to be speaking on the names of Jesus today. See, I began to study the scriptures some time ago, and the Spirit of God took me back where Jesus asked his disciples, whom do you say that I am? And they were all quiet for a while until Peter spoke up, and he said, You are the Christ, the Son of the Living God. Now, Jesus made an amazing statement.

He said, Blessed art thou, Simon Bar-Jonah, for flesh and blood has not revealed this unto you, but my Father which is in heaven. And he declared that upon this foundation, upon this rock of who Christ is, that he would build the kingdom of God, and the gates of hell would not prevail against this. And now, once again, as we go through the pages of history within the last 2,000 years, I believe the Spirit of God would speak to us once again, and he would ask us the same exact question.

Whom do you say that I am? And as I studied the scriptures from Genesis to Revelation, from A to Z, I began to have my eyes open to the reality of who Jesus really is. And my brothers and my sister, precious brethren, precious sisters, I discovered the reality of some amazing truths that over 400 names declare the types and the shadows and the names of Jesus. You see, my friends, he's the Alpha and the Omega, the beginning and the end, the one who was, who is, who is coming again.
