What kind of life is it talking about? I can't hear you. Look at me. Whoever seeks to keep this fleshly life is going to lose it.

Because if you love the flesh, the powers of darkness can bring their flood of words. You're going to love pride and greed. If you love this fleshly life, you love the things that breaks God's law, which can lead you into lawlessness and destroy you.

Is that right? With the fire and the flood. How many see that? Hold up your hand now. Okay, let's go ahead now.

Whoever seeks to keep his life, fleshly life, loves his life and his world, is going to lose it. But whoever loses his life is one that's going to what? Preserve it. Is that what we saw back in Revelation 12? They overcame because they did not love their life even till death.

They don't love their fleshly life. Are you hearing me? Is that right? Okay, now. I'll tell you on that night.

Night is a time of spiritual darkness. There are going to be two men in one bed. One is going to be taken and the other be left.

There'll be two women running at the same place. One will be taken and the other will be left. There'll be two men in a field.

One will be taken and the other will be left. And as they said to him, Lord, who's going to take them and where are they going? And the Lord answered and said, where the body is. He's talking about the dead body.

They're also spiritually dead as a matter of fact. Where the dead body is, they're also will to what? Who do you think the vultures are? That's the powers of darkness. That's a flood and a fire.

They're going to be gathered there. They're gathered because, see, listen. How many knows that when you're walking sin and lost in sin and practicing not overcoming it right there, that you're dead even though you're alive? See, that's what the Lord was talking to one of the churches over in, let's just see it.

I need to make this a little clearer because, why don't you turn over Revelation about three, okay? Don't you turn loose of Matthew, well, I'm already turned loose of it too. We don't tell them where we're going. Let's go over it.

I don't want to leave you hanging out here. I want to tie some of these things together so you won't be hanging, okay? Revelation 3, are you ready? I said, are you ready? Why don't you start talking back to me? Now in verse 1, the angel of the church of Sardis write, Who has had the seven spirits of God and the seven stars said, This, I know your deeds, that you have a name, that you are alive, but you're what? What does that mean? Hey, listen to me, folks. That's a church right there that's alive in the flesh, but they're dead spiritually.

You know why? They practice lawlessness. Are you hearing what I'm saying? They're not overcoming. They're not making their camp holy, and Jesus is not in the presence.

The presence is not there. A lot of religious deluding influences are there though. Now what does it say, verse 2? You better what? You better wake up, foolish virgins, and be on the alert.

You better wake up and strengthen the things that remain, which were about to die, for I have not found what? I can't hear you. I haven't found your deeds completed. What other deeds are supposed to be completed? If you don't overcome, your deeds are not completed.

How do you become complete? You have a pure heart, is that right? Okay, now, I have not found your deeds, and the sight of my God. Remember verse 3, therefore what you have received, which is a covenant in the word, and heard, and what does it say right there? Keep it, in other words, do it, and repent, if therefore you're not going to what? I can't hear you. If you're not going to wake up, sleeping virgins, you're going to keep right on practicing this lawlessness right here, you're not going to plead to deeds, you're not going to go possess the land, I'm going to come like a what? I'm going to lower the hedge, and the powers of darkness are going to destroy you, right there, the fire and the flood.

How many see that? All right, now, let's go ahead and read the rest of it. See, folks, this is an area right here, the Church of Babylon, Church of the Last Days, have a lot of things, but in that book, you know, that I've got, we really get into the details of this thing. I can just only hit the highlights, and we just don't have enough time.

Hey, folks, there's not enough time. It's too important. We're going to have to do something different.

I'm telling you, this is more important than a couple hours. Verse 3, Remember, therefore, what you have received and heard, and do it and repent. If, therefore, you're not going to wake up sleeping foolish virgins, I'm going to come like a thief, and you'll not know at what hour I'm going to what.

Listen to me, listen to me. Foolish virgins, see, people, the foolish virgins, the fire is burning them up, and they don't even know it. They're being destroyed like rottenness, like a moth eating away material, and they don't even know it.

You're not going to know the hour he's up there and destruction's on you. I'll tell you what he says. You have a few people in Sardis who have not soiled their garments, and they're going to walk with me because they are what? They're worthy because why? He who what? I can't hear you.

He who overcomes what? The world and the flesh and the devil are what comes against you to keep you from being perfected in love. You have to overcome. You go possess the land.

He who overcomes shall thus be clothed in white garments. I'll not erase his name from the book of life. I'll confess his name before my Father and before his angels.

I'm going to tell you what. I'm going to be led by the Spirit of God, and I'm going to tell you, I'm not going to be bothered by this time. I'm not going to be bothered with nothing.

I'm going to do what God tells me up here. If people leave, you're just going to leave. If you find anything more interesting than this right here, you just go.

I renounce being attacked by this anymore. Any anxiety. Now, I want to show you the ones that are right here that they don't know they are.

They don't even know they're being destroyed. Turn to Isaiah 42. Boy, you get to where you're led by the clock instead of the Spirit of God.

I don't know of anything in this world I'm more interested in than this right here. I'll guarantee you. I hope you're not after what you heard this week.

Remember that thing? The clock strikes 12 and the dead arise, right? All right, here it is. That's a dead body. It's going to be led by clocks.

You know you're going to break traditions. You're going to ruin my 4th of July. I'm going to shoot some firecrackers.

You're going to do more than that. They're hanging on you like bats. Look at verse 13.

Now, I want to tell you, the Lord's going to come to shout, isn't he? I can't hear you. Verse 13, the Lord's going to go forth like a what? A lawyer, warrior. He's going to rouse his zeal like a what? Man of war, and he's going to utter a what? Shout.

Uh-oh. Let's see what kind of shout that is. He's going to raise a what? Here comes a war cry.

He's going to prevail against what? That shout is a war cry to come here and destroy his enemies. Verse 14, I've kept silent for a long time. I've kept still and restrained myself.

Now, like a woman in labor, I've grown. What do you call that, folks? There's your birth pains right there. How about gasping pain? Why are people going to be in birth pains and gasping pain? Verse 15, I'm going to lay waste the mountains and the hills.

I'm going to what? Wither all their vegetation. How do you wither all their vegetation? What is vegetation? Fruit, right? Look here. When you have a famine of the Word, you cannot bear fruit.

It's withers. And as you wither, you dry up. John 15, 6, they gather in your branches and you're burned.

Is that correct? Is that right? You're gathered and you're burned. So, I'm going to lay waste the mountains. I'm going to wither all the vegetation.

The wither, when God doesn't give, you know, when people want to walk in this thing right here, he doesn't let them have more revelation. When you walk in what light you have, you get more light. Are you following what I'm saying? Oh, I'm telling you what the grace of God.

Folks, I'm, folks, God, God is wanting, we, folks, we're not even comprehending what all God's been wanting to do with us. The only thing he's, the whole issue is him having our hearts. It's a simplicity and a purity of devotion to Christ.

He's having all our hearts. We have been so deceived because we, most part, we haven't come with the whole heart. Isn't that right, Brother Bob? We haven't come with the whole heart.

And we come with the whole heart and stand and walk in these things and it becomes a pleasure to suffer, to prove, God, I love you more than I love myself. And then he blesses the socks back off of you. He pours out heaven on us.

When we have the encouragement from one another, don't have idleness in our heart, it becomes a joy because we always see it as people getting blessed and people getting helped. It's getting hurt and destroyed. Amen? Amen.

Now let's just continue. I want you to look there in verse 18. Here he's saying to these that can't hear, see, or understand, that's walking in love, I hear you deaf and look you blind that you may see.

Who is so blind but my servant? Who is so deaf? This is spiritually blind and spiritually deaf. It's in the parable of the Word as my messenger whom I send. Who is so blind that he that hath peace in me is so blind as a servant of the Lord? You've seen many things, but you do not observe them.

You don't obey the commandments, Lord. Your ears are open, but none hears. Your physical ears are open, but you don't have spiritual ears to hear because God doesn't have your hearts.

Your hearts are captured by tradition, doctrines, men, theology, buildings, church, the world. The Lord was pleased for his righteousness' sake to make the law great and glorious. That law has been lost.

But this is the people who are plundered. They're despoiled. It's a dwelling place of demons.

All of them are trapped in caves with the powers of darkness. They're trapped away in prisons. They become a prey with none.

No one's there to deliver them. And a spoil with none to say, give them back. Praise God.

Verse 23, who among you is going to give ear to this? How many are going to really listen to this? Who's going to give heed and listen hereafter? The Lord wants to remind you of something. If you've got a different kind of God picked out here, God wants to remind you of what his history is right here. Who gave Jacob up for a spoil in Israel to plunders? Was it not the Lord against whom they'd sin? In whose ways they're not willing to walk? And whose law they did not obey? We obey the law by being led by the Spirit of God to fulfill the law and possess the land.

Are you hearing me? So he poured out on him the what? The heat, the fire of his anger. Anger is the wrath of God, and the law brings wrath. Amen? And the fierceness of battle, it set this deaf and dumb, I mean deaf and blind messenger aflame all around.

Yet he did not recognize it, and it burned him, and it paid no attention because he's asleep. He's a foolish version of the last days. He's spiritually blind, he appears asleep, and God doesn't have all his heart, and he's offended by anything or anybody that comes and tries to show it to him.

I want you to turn with me to Matthew 25. Matthew 25. All right.

Then the kingdom of heaven will be compared to ten virgins. There are ten of them who took their lamps. You know what the lamp is? That's the Word of God and the presence of God.

That's the Word of God. That's here. And they went out to what? I want to ask you something, folks.

I want everybody to look at me right now. How many hear a trumpet blowing right now, a warning? How many know that this warning right now is telling you to come out to meet the bridegroom? You better get yourself ready by feasting on spiritual bread. But if you've got oxen out there, excuse me, God, I've got oxen to go take care of.

Please excuse me, God, I've got a farm out there to take care of. Excuse me, God, I've got a family to go take care of, Lord. Excuse me, God, I've got a business to take care of.

That's all over in Luke 14 and Matthew 22. And all of these things are more important than God, so he doesn't get ready. And he went out to meet the bridegroom.

That's what you're being called right now. Jesus is having you to come out to meet him. You see it's in Luke 19.

And the ones that meet him, they come out to meet him. They get themselves ready, hold him in place, they purify the heart. Now, here's the bridegroom.

Five of them are what? Foolish virgins, and five of them are prudent. And then the foolish, that's the false church. That's the ones that hear the Word of God and doesn't act on it.

They took their lamps, which is the Word of God. They took no oil. They're devoid of the Spirit of God because they're led by their lust.

They took no oil with them. They didn't have the Spirit of God. But the prudent took oil in their flasks.

They had the Spirit, the wise, because they act upon the Word of God because they're led by the Spirit of God, not carnal doctrines or a foundation of sin. So the prudent took oil in their flasks along with their lamps. Now, while the bridegroom was delaying, how many of them got drowsy and would begin to sleep?

Now, listen to me, folks.

Ever last one of us have been asleep. So lest none of us try to hold on to something back there when we see something in the Word that's contrary to it, we better be led by the Word of God when we see it in balance and context. We don't have nothing to prove to any other group.

We don't have nothing to prove with anything else. When we find out something's wrong, and obviously something's been wrong and we've been getting destroyed, and so we're willing to change. And so we come to light and say, this is where I am.

I'm standing here. I'm not standing over here where something's getting me killed. Amen? Okay, now, so they all began to sleep.

But at midnight, what is midnight? Midnight is a time of greatest spiritual darkness. Midnight is the darkest part of the night. There was a what? Uh-oh, there was a shout.

Behold the bridegroom, come out to meet him. And the ones who... You're going to find out the ones that do and the ones that don't right here. You're going to find out when this shout comes out here, I'm going to tell you what, he's coming in blessings and he's coming in curses.

You're going to find out right here. Here it is. Then all those virgins, everyone, the foolish and the virgins, right, they rose and trimmed their lamps.

Now, that's the Word of God. The Word's a lamp unto your feet and a light unto your path. And I want you to know right now, Proverbs 24, 20 said, The lamp of the wicked is going to be put out.

And anywhere that word is a lamp to their feet and a light unto them. So the Word of God, so they had the Word. Now, let's see what they can see.

Then all the virgins rose and trimmed their lamps. And the foolish virgins, all of a sudden, they began saying to the wise and the prudent, Give us some of your oil. We need the Spirit because our lamps are going out.

We can't see what you see. I imagine there used to be a lot of scoffing among the foolish virgins when they'd see them doing some of these things. They'd laugh and scoff.

And then all of a sudden, wonder what it means that their lamp was going out. They're going to come and bow at your feet. If you're a wise virgin, because of the hell that's coming upon this earth shortly, I want to show you how your lamp goes out.

I want you to turn to me, hold your place, and turn back to Job 18. Job 18, I want to show you how your lamp goes out. That's right before Psalms.

A foolish virgin hears the Word of God and she doesn't have to act on it because she's got a foundation of sin, which is a carnal or doctrine that doesn't conform you to God. There's some teaching. Now, we're going to see what the trouble was of these foolish virgins right here.

Are the powers of darkness on a foolish virgin? Are they a terror? They are a terror because why? They bear a foolish virgin when they don't act upon the Word of God. Don't they bear the fruit of the practice of lawlessness? And you think they have the Spirit of God? No, they're not led by the Spirit of God because if

you're led by the Spirit of God, you will not carry out the desires of the flesh. If you're led by the Spirit of God, you're going to be perfected in love.

If Jesus Christ is Lord, he's going to control your life, isn't he? But he's not going to control the foolish virgin life because she's got this, this, this, this in order to be saved. She don't have to be led by the Spirit of God. She doesn't know what it is to be born again with the Word of God.

All right, now, here's what the foolish virgin problem is. You're going to see it. Look at verse 5. Indeed, the light of the wicked goes out, and the flame of his fire gives no light.

The light in his tent... Where's the tent at? No, the tent is this body we live in right here, okay? Look at me. We live in a tent, okay? The light in his tent is darkened. That's spiritual darkness.

And his lamp goes out from above. In other words, he's not getting anything from God. He's not getting any light from God.

Amen? That's the famine of the Word. And look at me, folks. His vigorous stride is shortened.

Instead of skipping like a calf, you know what I'm talking about? The powers of darkness are moving in. They're taking over. Sickness, disease, and weakness.

Are you hearing what I mean? His vigorous stride is shortened. Are you seeing this? Huh? That's what you do. Okay.

All right, the vigorous stride is shortened. And his own schemes, what? Look at me, folks. Look here.

His own schemes. I'll bring it down. While he was building him a reputation, making a name for himself.

While he's building his treasures and outsmarting the weak. While he took in his own schemes. That's what you read over in Proverbs, those first four chapters.

It put a net right under his feet. Because he built for himself. He didn't really love his neighbor.

He lived for himself in his own schemes. When you live after these things right there. It lowers a hedging by your deeds.

Your measure is going to be measured back to you. People who live for themselves, their selfishness, their own schemes. Bring them down.

All right, let's just continue. His own schemes bring him down for he is thrown into the net by his own feet. Now, how is he thrown in the net? Look here, folks.

The way you walk is what? If you walk a straight path in the Lord, you have a hedge and protection. But if you walk your path of scheming and selfishness, your own path, steps, is going to lead you into the net. Do you see that? Okay, now.

A snare seizes him by the heel and a trap shuts on him. That's the powers of darkness. A noose for him is hidden in the ground.

He's wise in his own eyes. He can't even receive this part of the word today. And a trap for him on the path.

All around, tariffs Friday. Who knows who these tariffs are? That's the powers of darkness. They frighten him.

They administer fear and worry, anxiety, all these things. They frighten him. And they hang him at every step.

In other words, he has oppression all over him. Listen. They hang him, and oppression's all over him.

Now, can I go ahead? That's what Job's all about, explaining the powers of darkness and curses and breaking God's laws. That's what it's all about. And God testing you.

Amen? All right, now. His strength is famished because the powers of darkness just suck the strength in. And calamity is ready at his side.

Now, watch very closely, verse 13. His skin is what? Devoured by what? Disease. That's the powers of darkness.

That's how your lamp goes out. This is why they're going to crawl over there and say, I want some of that oil. That's a destruction.

And the hell is coming in the last days. It's going to be worse than anything that's ever happened. Never before on earth has anything like it ever happened before.

His skin is devoured by disease. And the firstborn of death devours his limbs. May I ask you who the firstborn of death is? Satan.

And the powers of darkness are doing what? Devouring his body. He's a lawbreaker. They're bringing desire.

Folks, is this playing? Now, this is how his lamp is going out. They devour his... He's being destroyed. That's how the flood comes and destroys in the fire.

He is torn from the security of what? His tent right here. His tent. The body he's living in, he's torn apart because his body is destroyed.

And they march him. That's the powers of darkness that tears. They march him before the king of tears.

Who is the king of tears? The powers of darkness march him right before the king Satan right there. Look in verse 16. His roots are dried below.

In other words, no roots into Jesus. His branch is what? Jesus comes and cuts off the branch and throws it into the fire. Are you seeing what I'm saying? That's John 15 because he didn't continue to be perfected in love.

Amen? All right, now. The memory of him perishes from the earth. That's everyone that doesn't love the Lord.

And he has no name abroad. He has been driven from light into darkness. And everyone who walks this way, and this is what happened.

They are chased from this inhabitant world. In other words, they're destroyed in this manner. Now, folks, do you think we're getting our eyes open? Does that agree with what we've already seen? Now, let's go back over here.

Okay. Well, I don't see anybody running off. Isn't that interesting? That's good.

All right, now. Let's look in verse 8. Matthew 25, verse 8. And the foolish said to the prudent, Give us some of your oil. We are being destroyed.

Do you know what they're really wanting to do? They're knocking on the door. They're wanting in the ark. Are you hearing what I'm saying? How many see this? They're wanting in the ark.

Okay, now. But the prudent answered and said, And no, there'll not be enough for us, and you too. Go instead to the dealers and buy some yourself.

And while they were going away, Now, they are the foolish virgins, right? I can't hear you. While the foolish virgin were going away to make the purchase, the bridegroom, the Lord Jesus Christ, came, and those, that's the prudent, who were what? I can't hear you. One more time.

They became what? They were ready. How did they get ready? They cleansed and purified their hearts and began holy and blameless. A few of them are remnant.

And then they went in to what? I can't hear you. Went in to the ark. They went in the wedding feast because these are the ones that are going to marry Jesus.

Those are sanctified and have a pure heart. Holy, blameless, spotless. That's the bride that Jesus come from.

And then what was shut? The door of what? The ark was shut. Who got inside the ark? The ones who were righteous. They had a wise heart and they were perfected in love.

They overcame. Are you hearing what I'm saying? Is this plain? All right, now. The door was shut.

And then the other virgins, may I ask you, who are the other virgins? They're the foolish false church. The only thing they want to hear is peace and safety. They don't want to hear anything that upsets their flesh because it's a foundation of nickels, noses, and numbers to build men's reputations and build monuments to men.

And later the other virgins also came and said, Lord, open up for us. What were they trying to get into? They're trying to get in the ark. Who is the ark? Jesus trying to be in Christ.

Now, we saw what it means to be in Christ if you don't remember it in 1 John 2, 3 through 5, all right? But he answered and said, Truly I say to you, I do not know you. Can I add something right there? You who practice lawlessness. You were not led by the Spirit of God to fulfill God's law.

Jesus did not fulfill the law in you. And we know in Romans 8, verse 4, that the requirements of law are fulfilled in those who no longer walk after the flesh but by the Spirit. Amen? Lawlessness.

So therefore, it says, Be on the alert, for you don't know the day and the hour, and there's no way for any man to know. Now, I want you just to real quickly there, and I want you to turn over there to me, to Luke

13. Luke 13.

How many are seeing some things about the last days? I want to ask you something, folks. Could this be any clearer? Does it all come together? Is anything out of context that I've shared all week long today? And you know something, folks? We have just barely got into it. And some things, I'm just ashamed that it had to get generally because I didn't really get to really tie all the things together because we just, you know, it's just not time to do it.

And we've got to learn how to do it. Now, Luke 13. Have we already seen over in Matthew 7 that narrow is the door and broad is the way it leads to destruction? How many believe it's a narrow door and a narrow way to life, eternal life? How many know it's a broad way and many are going to enter the way of destruction? What are you going to be able to do about it? Are you going to follow Jesus? Or are you going to get your eyes on something else? The only way you're ever going to help somebody else is get yourself sanctified and purified to where your prayers get answered.

Don't you go out with a thimble full of truth and let spiritual pride condemn people. I'm going to tell you something, folks. Let me just stop right here.

I'm going to get down here and just tell you this right now. Folks, I'm going to tell you something. If you miss this, don't you think you know anything? Because I'm going to tell you something.

The whole bunch of us don't know very much. I know a little more of you, some of you. And I didn't get this out of books and from men.

And I got this from the Lord. And I'm telling you what, I'm awed every time I go to the Word of God. But I'm going to tell you something.

I see enough to know, honey, we're just touching the surface. We're still working on the foundation right now. Don't be like some Pharisee and, you know, get lifted up.

But if you're not walking in love, if you're not purifying your heart, it can't be like we've been since the days of Reformation. Since Luther got some light, they gathered around it and still gathered around it. And ever since then, every time anybody get a light, they gather around it and call it it.

And no one can be led by the Spirit of God to the place where God wanted them to go because the enemies would always pervert it because of their hearts. This is the reason God destroyed the earth the first time. That's the reason He destroyed it now because He couldn't have all the hearts.

Everything that a man could ever desire and want, God wants to give it to him. The only thing He wants to do, He wants to put you in this world for Him to prove. The only way you're going to get through this world, folks, into heaven is to be worthy.

And the only way you're going to be worthy is prove that you love the Lord with all your heart. And that's the only way you're going to survive. You will not survive this.

I'm going to tell you something, folks. You're not hearing the fear of God. The fear of God is to know that it's not going to be Jesus plus a sign in the yard.

It's not going to be Jesus plus anything in the world. It's not going to be Jesus plus a family. It's not going to be Jesus plus some man.

And don't you make something complicated out of getting there. The only thing you do is love the Lord with all your heart. But there's not going to be no idols or nothing else.

And when you've got anything else, you're not going to hear from Him. I'm going to tell you something, folks. Don't gather around something and think you're smart or cute.

I'm going to tell you, I'm watching this. I'm watching people. And I could vomit to watch the nature of people could hear a word like this and then run and condemn people and something.

Boy, a whole mess. And we get in this word, and we get before and find our fellowship among people who want to come to the Lord with a pure heart. But I'm going to tell you something.

If you don't, if you don't do that, then where is the world to seek from the rich and desires for other things and persecution and affliction and take everything you've learned? I've watched people. I've watched people. I've watched them by the hundreds hear this message, and I'm going to tell you what's the truth.

They don't even remember it in three months' time because they still don't go to the Lord with all their heart. It's lost to them. It's taken smack out of their heart, just like the prayer of the Word says.

Now, I'm going to stay here, and I'm going to get this. I want you to get this. And I want you to see it because I'm not going to stop back there.

You need to know this. If people sit out there in these ball games, freeze to death, sleep and everything, we get led by these demons that we've got to go run. We've got to sleep so many hours, and we've got to do this, and we've got to do that.

I want to tell you something, folks. There can't be nothing any more important than this. If it is, well, get after it.

Now, here we go. Luke 13. Well, where am I? I lost the page here.

Just a minute. Now, verse 23. Luke 13, verse 23.

I just have a couple of places here. And someone said to him, Jesus, Lord, are there just a few who are being saved? And he, Jesus, said to them, strive to enter. By what door? You better try to get into that narrow door because many, I tell you, are going to seek to enter, and they're not going to be able.

And once the head of the house gets up and what? Was the door shut on the ark, and the foolish virgins were knocking on it? I can't hear you. They were knocking. Once the head of the house gets up and shuts the door of the ark, and you begin to what? Stand outside and what? Knock on the door.

I want to ask you something. Is this a day just like the days of Noah? Was the door shut then? Was everybody else drowned and destroyed by the blood? Did it say it's going to be the same way? See, people's hearts are going after marriage and building and all the things of the world. And they're not listening and hearing God.

Are you hearing me? Eating and drinking. Are you hearing what I'm saying? All right, they came and knocked on the door. May I ask you something? Who's the door? Jesus.

How do you knock on the door? You pray, God. Pray, Lord, let me into heaven. Let me into the ark.

Jesus, save me. Jesus, save me. That's how you pray and get in.

Save me. I'm being destroyed. I can see others over there.

Those wise virgins are not being destroyed. They don't have as torment and hell on them that I do. Lord, let me in the door.

That's how you knock on the door. You're knocking on the door, Jesus, to get inside the ark. And saying, Lord, open up to us.

And he will answer and say, I do not know where you are from. Is that what he told the man there? The act he did to cast out demons? Did miracles and prophesying? I never did know you. You just continue practicing.

You weren't led by my spirit. I wasn't your Lord. Why do you call me Lord, Lord, and don't do what I say? You heard the word of God, and you didn't act on it.

And then, verse 26, you will begin to say, well, Lord, now we ate and drank in your presence, and you talked in our street. I heard these sermons and this word for 35 years. I heard your word for 35 years.

And he said, and he will say, I tell you, I don't know where you're from. Depart from me all you what? Look at me, folks. Depart from me all you evildoers who continue to practice lawlessness.

And they're sitting there. They don't get in the ark. And they're destroyed.

And then the righteous are going to shine forth as the sun. The Lord is coming in hell and destruction. It's not peace and safety.

People that say you're walking out of the flesh, they won't hear anything about judgment. You can't build reputations. You can't build on pride and greed.

And the people that started these doctrines loved pride and greed, and they used intellect, and they had talent, just took part of the word of God. Now I want you to turn to 1 Thessalonians 5, and I'm going to try to stop there. And as a matter of fact, I am going to stop there for a little while.

1 Thessalonians 5. I'm going to stop there till God says start up again. 1 Thessalonians 5. You know something, folks, I want to ask you something. When you hear this part of the Bible, it doesn't matter.

It's no big deal. It's not too much of a big deal. There's no problem to think about going out and get you a couple of tunics and catching a Greyhound bus, is there? Huh? All of a sudden, all these trappings don't matter, do they? It doesn't matter, does it, Brother Walter? I guarantee you Walter would go with one.

He would. All right, 1 Thessalonians 5. Now, we've seen right here, as we saw there, the people in Thessalonians, he told them they'd been suffering right there. Why don't you look there in chapter 3 first, 1 Thessalonians.

Let's look at verse 3. For this reason, I'm going to look there in verse 5. For this reason, when I couldn't endure it no longer, 1 Thessalonians 3, verse 5. When I couldn't endure it no longer, I can't go to these other verses. I don't have time. I also sent to find out about your what? Faith? I'm fearing for you that the who came, powers of darkness and might have tempted you, and then what? Our labor would be in vain.

What would cause your labor to be in vain? You fall away. You don't continue. And you love the Lord with all your heart.

You turn away from the world, deceitful, and your heart turns away, and you're not perfected in love. Is that right? Then we go on over in chapter 4. Now, I'm going to show you something that's just someplace in it. Now, in chapter 4, you remember we saw right there the will of God doing the will of God is sanctification, verse 3. That we possess our own vessel and sanctification on it.

We know in verse 5, it's not in the lust of flesh or lustful passion. And then verse 5, for God has not called us to have an impure heart, but what kind of heart? To be sanctified and pure. Verse 8, consequently, who rejects this? He's not rejecting man, but he's rejecting God who gives his Holy Spirit.

Now, the ones who are swept away to the flood are not doing the will of God. Is that what we saw? Did we see it in Matthew 7, verse 21, that we're not doing the will of God? Now, you're going to be amazed what you fix and see in your Bible right now. Chapter 5, verse 1. Now, as to the times and epochs, brethren, we're talking to the brethren.

You have no need of anything to be written to you. For you yourself, brethren, you now know what? What's that word? The brethren know full well that the what? The day of the Lord. That's the day of the Lord's judgment is going to come just like a what? Thief in the night.

Now, the ones who have their heads around them, they're not going to be bothered, are they? Right. Brethren know this. Now, the Lord's going to come like a thief in the night in spiritual darkness.

And while they are saying what? I can't hear you. While they are saying what? There are going to be some people saying peace and safety, but it's not going to be the brethren. They're not going to have a harlot's forehead.

While they're saying peace and safety, then destruction is going to come upon who? Them who say what? Destruction is coming upon the ones who say peace and safety, and it's going to come suddenly like what? Oh, there it is. The powers of darkness in all hell. The sons of destruction are turned loose.

They're no longer restrained anymore. They're going to come upon them like a woman with a child, and they're not escaping. If we had time, we'd look in Isaiah 13.

They're going to look at one another in astonishment, and all this pain in hell, they're going to be surprised and amazed. The trumpet's blowing, folks. But you, brethren, verse 4, are not in what? You're not in this spiritual darkness that the day of the Lord shouldn't overtake you like a what? It don't overtake you like a thief, for you are all what? You're sons of light and sons of day, and we're not a what? We're not of night nor darkness.

If you want to put Ephesians 5, you can go back there and just kind of look that over real good. So then let us not what? We're not going to be asleep like the others do who teach peace and safety. Is that what your Bible says? But let us be what? We're going to be alert and sober like Matthew 24 told us a while ago.

The ones who are alert don't allow their house to be broken into, and alert and sober is what we're warned in 1 Peter 5, who ate about the powers of darkness and put up a shield of faith. Amen? For those who are sleeping, do they're sleeping at what? At night, they're in spiritual darkness, and those who get drunk get

drunk at night. Look at me, folks.

Here is how you stumble in spiritual darkness. You're stumbling and staggering in spiritual darkness. And that's what he's talking about.

That's one of the curses in Matthew 28. You'll stumble at noonday. Noonday is the most light part of the day, but you'll be stumbling in spiritual darkness, and that's what he's talking about.

For since we are of the day, we're the light, we're going to be sober, and we're going to put on the breastplate of faith and love. That's Ephesians 6. We're going to put on the weapons of our warfare, and a helmet and a hope of salvation, for God has not destined us for what? The one that walk in lawlessness. If law is going to bring the wrath of God upon us, but to very often, they're going to be destroyed by the flood and the fire, but, circle the word but, but he has destined us for this, for obtaining salvation through our Lord Jesus Christ to be led by the Spirit of God to possess the land and sanctified in a pure heart and overcome.

He who overcomes is one who's going to sit on the throne of the Lord Jesus Christ. I want to tell you something, folks. Jesus is not bad company.

And he gets a lot better knowing this, doesn't he? He gets a lot more serious. Now, I want to ask you something. Have everything I shared this week been love? Perfected? Has it driven you to the word of God? Has it driven you to be led by the Spirit of God? Hasn't driven you to anything else, has it? Does it make you want to repent? Do you think it's the time to repent? Now, see if we had a time to tie in Joel and all the other prophets explained to us these days.

I can turn to any part of the Bible right there and I can show you these days. It's on us right now. But the ones who teach peace and safety are not going to see it.

The foolish virgins will never, never, never, never, never see it. Now, I'm going to tell you something, folks. We're in the front end of things.

We're following the ark. We're going away we haven't been before. Are you hearing what I'm saying? I want to ask you something.

How many of you think they're just bad about all they handle? You know, I was going to deal with some things and I thought about coming back here tomorrow for a couple of hours with some things there. But how many just believe they have all they can just handle right now and go for it? How many would be interested in coming back tomorrow for a couple of hours? Hold up your hands. Around noon tomorrow? How many wouldn't be able to make it? I want you to be honest now.

How many don't think you'd just be able to make it? Now, don't you feel, and I want you to hold it. How many feel like you wouldn't be able to make it, Terry, if we were still at noon tomorrow? Okay. I think the walk is important.

See, I have a meeting all day and I've got to be in in Houston on Sunday. But I tell you what, I want you to know, I want you to know that what our interest are right here is that you'd be a success in the Lord Jesus Christ. You understand what I'm saying? Now, I want to tell you something.

What happened? Folks, let me ask you something. What if I had stopped back there when I was getting attacked up there to do? Everything that was trying to get me to attack and shut off the Word. I couldn't have gone ahead and tied together what we just saw, could I? And I did what the Spirit of God let me do.

But, you know, and you'd sit there and you'd probably get the same attacks I would, that, you know, you've got to go and all these things, you've got to get, you've always got to be somewhere else besides get to farm, get to the oxes, get to the businesses, and get to all these other things, the worries of the world, the seekfulness of riches and desires for other things, and then we don't hear. What did Paul do? He went there and stayed until it was foreign. I'm trying, Brother Bob, I'm trying to work this out to where we can do it.

Just stay in one place until, buddy, I'm telling you what, I'm going to tell you what, I believe, I believe somebody can just circle this city like these helicopters here. If I could share something that God let me see. Now, I'm going to tell you what, I've been circling a few times.

But we need to, God's showing us a lot of things right now. Now, what I'd like to do, I'm going to let Brother Bob come up here. Now, we've been sitting here a good little bit, do you understand what I mean? Now, I hope you'll listen to me.

I'm going to let Bob up here and don't want anyone to leave until he gets through here whatever he's going to share with you and everything. And then what I'd like to do, when he gets through sharing with you, we're going to have, we're going to get into just a little praise, just about five minutes. This will give you time, the ones that need to, to hurry and get to the bathroom and get back to the ones that need to because what I want you to do, now see, you have come to a place, people, I don't like to pray for people unless it's particularly hurting until the day.

Now, we've come to the time. Now, let me tell you why. If I prayed for you, whatever the things that we were trying to deal with last Monday, I mean last Sunday, Monday and Tuesday, you didn't know how to walk and overcome like you do right now.

It's a different walk. The reason this stuff got on you because you wasn't walking right. Amen? And now you know, you know not only how to get free but how you're supposed to walk to stay free.

Isn't that true? Do you know that? Is that right? And you know how to overcome. Is that right? You know how to walk in peace. Is that right? And so now, so if, but see there's something else that happened to you these days.

Your heart has been repenting right now. Amen? And so that, and the word atmosphere and everything has just made these things weaker that's got a hold of you. And so now, it's not going to be such a problem.

When you get them free and then you're going to walk out here you're going to be able to walk with it. Now I'm going to tell you something folks. Some of y'all fixing all freedom like you've never known in your life.

You're going to get plum light headed. All that pressure comes off. As a matter of fact, you already have.

Many of you already have. But, there comes a little war about this time because see you've got to, you've got body functions and things that you need to go, you need to, you need to kind of stretch or something like this. And then when you do, the powers of darkness, I'm going to tell you right now they try to put

about 1,500 things and anxiety all over you and tell you that you've got to hurry.

You might as well go on. You can, and then you're going to miss the part what we've come to right here. Are you hearing what I'm saying? Why don't you just play like you're in one of those ball games and they're sleeping and they're trying to push the pigskin over the chalk line or something like you used to do.

Now, not really. Why don't you play like this is life and death? You understand what I mean? Why don't you start overcoming and not do this thing? I see, I mean, I was getting all kind of attack right up there while I go anxiety. I need to shut down and trying to get me to shut down and I thought, you know, what am I doing? I mean, this is life or death right here.

What am I? And the ones that don't want to hear it will just leave and they leave but now the ones that want to hear it can hear it. So right now, so here's what I want to do. So after you take a break, then we're going to come back in here.

We're going to take charge of these strongholds in the name of the precious Lord Jesus Christ and this word happens to you and I want you to know that God's presence is here right now and he's there for you to be repentant. If you want to spend this time and start repenting of these things because, see, it's a time of joy like there were when the law has been lost but it's been found but I want you to know they stood all day long hearing the word and confessing their sins and praising the Lord all day long in the name of my name. That's what they did.

So let's quit being controlled and run by our flesh and let's get these things off because every specialist and doctrine and every petty of the world can't remove have one thing to do. You've got spiritual problems. You hear what I mean? Now has come the time to get free from it and so when you come back in you're going to get free from it and then some of them hold on and so we take care of those with praise and then that brother right over here that God has used so much this week we're going to get into a little praise right here and everything's hanging on it's going to have to turn loose in Jesus' name.

That's going to pull and then when we get through that or during this time we're going to have the ones who want to be filled with it. When you feel full of the devil when you get that out you need to be filled with the spirit of God and Brother Paul and Otis and Ray right there and Brother Howard all of you. Brother Howard all of you right here.

We're going to come down here you're going to be filled with the spirit of God. Now if there's some of you that's still hurting right here and you're going to want you're going to need some more prayer needs right here we're going to have somebody come over here if there's no prayer or deliverance or something you're not going to leave here hurting. You're going to be taken care of over on this side of the building.

Over there you're going to be filled with the spirit and over here if you're not going to leave here hurting. Are you hearing what I'm saying? There's going to be somebody down here to minister to you. Now how many of you believe there's peace in you now? You think you need to repent of some things? Amen.

Now that's what we need to do when we repent. That loosens where the strongholds have a hold of us. Isn't that right? Is the presence of God here? Has it come time to pray? Who is it that sets us free? Some man's power? No.

Your faith. Has your faith been built up? It's your faith and your love and the Lord Jesus Christ is a healer and deliverer and he gets all the glory. Right? I think we're going to follow his ministry aren't we? Is that

correct? Praise God.

Brother you go ahead and have a word here. All the word I have we're just going to worship the Lord and give a good love offering to Brother Green's ministry. Yes.

Folks it's a time we're going to pray and we're going to take authority over these religious strongholds and it's a time that you need to spend a little time with the Lord. We need to close out everything and we're going to have where you can stand up if you want to lay down somewhere or if you want to get in a place where you're just alone there's plenty of room here and just make an altar. Would you... I would just like for you to get in that place right now.

Just find a place where you feel like you'd like to be. Do you like to feel like you'd just like to kind of be alone? Are you making an altar right where you are? Do you want to stand? Do you want to lay down? Do you want to be down in the front or wherever you feel like you need to be right now? I want everyone to just close your eyes right now and we're going to pray and we're going to ask the Spirit of God to begin ministering you to show you where these strongholds are and as you repent from them then we're going to... we're going to stand on the Scripture that our weapons are mighty in God to tear down fortresses and strongholds. Amen.

OK. All right. All right.

OK. Well, I'll answer that just a little later then. OK.

All right. We can do that even during praise, can't we? Yeah, that'd be fine. OK.

Now, you just get in a comfortable place. Now, Father, Lord, we just bless you and praise you and everybody just close everything out now except Jesus. Everything is closed out now except Jesus.

Now, and I want you... I tell you what, don't let your eyes be looking around everywhere because you're going to get your mind off the Lord. You just close out everything except the Lord Jesus Christ. OK? Lord Jesus, in the name of Jesus, Father, we just received your word and we look to you, Lord, our deliverer and our Lord, and we just received this word.

We choose to love you with all our heart and our neighbors as well. And, Father, I just ask your grace now as you just confirm your word and watch over your word for me just to minister a godly repentance. And, Lord, I just pray your presence would just be reigned upon these people as you just... as they are repenting here.

And now, in the name of Jesus, I take authority over every religious spirit. You're sealed with the blood and bound that you can't hinder any ministry. Every ministry of destruction and infirmity, you're sealed with the blood and bound in Jesus' name.

All the powers of darkness that have been assigned to hinder this ministry of repentance and the Spirit of God, you're separated, exposed, and you're bound in the name of the Lord Jesus Christ. I remove all the works of distraction, all words, and all the works of darkness from this building right now. In Jesus' name, you're removed.

I hold the word in the blood as a hedge. Father, I ask you to forgive us of any sin that we've committed here that's given any ground to the works of darkness to remove in. We receive forgiveness and we put

the word in the blood as a hedge right here.

I now bind every stronghold and every work of darkness in everyone right here and every... In Jesus' name, you're sealed with the blood. You're bound that you can't hinder the ministry of the Spirit. And in Jesus' name, I proclaim in Jesus' name that people's minds and hearts are loose to do business with the Lord Jesus Christ in a godly repentance right now in Jesus' name.

Praise God. Hallelujah. Hallelujah.

Praise Jesus. Hallelujah. Just cry out to the Lord.

It's the time to cry out to the Lord. Don't hold back. That's what your Bible said.

Don't hold back. Cry out to the Lord. It's the time to repent and come to the Lord with a whole heart.

With a whole heart. I bind up. I'm sealed with the blood of every manifestation of the works of darkness.

There'll be no manifestation. You're exposed, sealed with the blood. There'll be no distraction here in the name of Jesus.

Hallelujah. Oh, bless you, Lord. Thank you, Lord Jesus.

I just thank you for your ministry right there in repentance. Every distraction, every work of darkness, every hindrance is sealed with the blood and passed. Thank you, Lord.

Hallelujah. Bless you, Lord. Praise God.

Just continue to praise and do business with the Lord right there. Praise God. Hallelujah.

Praise the name of Jesus. Praise God. Praise God.

What did I say? The Lord's blessing you, folks. He's blessing you. Praise God.

Hallelujah. He's blessing you. He's forgiving you and He's blessing you.

He's blessing you. Praise God. All unforgiveness in every word you've spoken against anyone, be sure that's cleared.

But ask forgiveness of the times you have not honored your mother and your father. All the rebellion to God and to His Word. Doubt and belief.

You know, the real fact is that we've broken covenant with God. That's what you need to repent of right now. We haven't been walking in covenant with God.

Repent of being embarrassed about the things of God. Fear in man. Your heart's seeking the world and things in the world.

What makes you turn away I wanna ask everyone right now just real quietly. I wanna ask everyone just quietly just to move right down here at the front and stand right down Here in front when you get down here. I want you to have your eyes closed.

I want you to close your eyes Don't you shut out everything except praising and meditate the Lord and I want everybody to kind of hold back any of these Manifestation the Holy Spirit doesn't behave himself unseemly. I want you to know this is a time to cry out to the Lord and Receive grace when you get down here just close your eyes I want you just to close your eyes because you you we want to say and it's just a spirit with our eyes on Jesus And our weapons are mighty in God to turn down Fortresses and we're going to do this with through repentance and the Word of God just move right on down Just move on over these empty spaces where others can have room to stand in here. Would you do that? All right, if you can't get all the way down the aisles You can kind of move out in the aisles right there If you want to just move out and you don't have to stand in the aisle so you can be in a comfortable place Right there.

Just move out in this seats in the aisles right there. Okay He's gone Just move out in this house right there You don't have to stand in the aisle unless you just want to stand in the house and wherever you want to but just we Got to move down toward the front and get the real comfortable place You move out in the aisles and the seats right there if you can't get all the way down Keep your eyes closed. Please don't be looking around.

I'm telling you. I know something you don't know Please close your eyes and just have your eyes on the Lord right now There's gonna be a lot of healing and everything and you want you don't know distraction Don't be trying to figure out what's going on or anything like that. You just have your eyes on Jesus We let the Spirit of God lead it keep your eyes closed until we get to the very end of this thing Because you're just now being fellowship rather Lord.

Just praising the Lord now Let's just just praise him and just more just thank him for his grace right now. There's such a sweet spirit here right now There's such a spirit of the Lord right here Yeah Now we've we've been programmed to think if we're real macho, you know and everything we just we just we just run over the powers of darkness and things like that and so But what we want to do is we're just going to talk this is going to be a sweet time with Jesus The sweeter it is with the Lord the more effective it is and this is it We're just gonna be real sweet before the Lord and and Jesus is the one that's going to bring deliverance It's not our macho or our harshness or anything else. It's the work of the blood the work of the cross and a word of God Amen So now everybody I want to remind you one more time.

I know something. You don't know I watch people not listen to me. They start looking around they get to and it's and they start Looking around and they became distracted and they get out of the spirit of things and they're really not listening to the Spirit of God And they just don't get help now.

Listen to me Just keep your eyes closed throughout this until we get through and we're just going now We're standing on the scripture So, you know that we we confess our sin We use the Word of God and our weapons are mighty in God to tear down fortress these fortresses And what have been destroying us and this is what we're going to tear down and the roots of it And now I just want to ask the Lord I want to come before the Lord and it's all right to cry out to the Lord. It's all right to rejoice in the Lord All right now in Jesus name Lord, we just come before you we just bless you Lord Jesus It's your word that we received and Lord Jesus. I pray God that your spirit here would Bring glory to you right now because of the work that you did at the cross because of your blood Because of your mercy and grace and it's not anything that brother and Bob and I or anybody else will take any credit for we give You all the glory right now because we come humbly forward.

wall right over on the right just move out of this crowd a move They're gonna and in the meantime, we're going to get into praise right here And it's very important that you just you just get into this praise before the Lord forget about everything around you and get into this Praise folks and and you already know that it wasn't any big deal about this thing What a big show about it, but you know, there's all kind of stuff Don't you feel I mean, you know, the the bird is coming off the yolk coming off right now They're gonna be a lot more this praise is important because some things hold on and when you're praising God It can't say it's gonna hold on. Okay. All right.

Now, here's what you here's what you do Now you just begin you you just close your eyes right there and just deal with a new business with the Lord and brother You you you want to go ahead and lead us in the praise right there Get the wall over there. Everybody go all the way against that wall on the far side right over there on my right over there It's gonna be built ill with the spirit. That's exactly right Oh Oh Oh Oh Oh Yeah Oh Folks this this can just go on all night and forever can't it and that's the way it's supposed to be We don't have to wait for a meeting to do this do it It's a lie for repentance Loving the Lord with all our heart folks We've got so much to learn and we all got it, you know the thing about we're gonna have to learn from one another Because it's going we're going to see Jesus in the whole body of Christ I want to remind you that every one of you have a part.

It's a very supernatural part And as the Lord teaches us your part is just as important as anyone's else's part and you're gonna have to take your part You're gonna have to decide you've got the big Jesus Amen, same one in Paul and Peter and John and James all men and we have to Be a stewards of the God things of God now We didn't try to make anything on it Just real low-key All we did is just spoke the words and we just left it up to the grace and mercy of Jesus I'm gonna tell you something. Oh God did more here already And you you can comprehend that he's done in your life, but I'm gonna tell you something folks. It's a walk now this I'm gonna tell you something.

Don't think that you're totally free Okay But I'm gonna tell you something if you walk it's going to be easier to become freer and freer if you take up right now And say and that word of God stay before Jesus and start overcoming If you fall down get back up again If you lose the peace yet before God if you don't find out the first hour What the problem is keep there the next the rest of the day if you don't know stay there the rest day because God is The one that decides and he's going to let you know Where you give the ground to get it and this is a way he teaches you now It's gonna be sorrowful when you're gonna die anything and it's not gonna be joyful in some of these times You go through don't let men's words condemn you because there's a place that we're walking right now And a lot of people not going to understand we're going to love people gonna walk in love You're gonna guard your thoughts guard your conversations. I want to between husband and wife I want you to take each other by the hand right now And if you can't reach each other, here's what I want you to say right now Say Lord Jesus I'm and everybody can say this Lord Jesus I'm sorry for the words That I spoke against my son my daughters my wife my husband and the other member of my family I renounce all the condemnation Intimidation and curses and words And I've caused in our marriage I break the curse in words That we've received from others Now this needs to be broken the Lord showed me I lift up your hands right now This is lifted. This curse is broken off for every marriage right here in the name of the Lord Jesus Christ You're released right now all for your children all your words on them is broken and released right now in the name of Jesus It's broken and released because Jesus became a curse for your Calvary Folks have you just like why these sheets many of you out there and everything the Spirit of God and just the grace of God And this is not to brag on the church or brag on a ministry or anything else But it's just a brag on the Lord Jesus Christ in

there right brother Bob And I don't taste up now.

It's a walk now. See you don't retire from the Word of God We should have learned just enough about the Word of God. We want to stay in there all the time I hope as many as you will because the easiest thing in me You know to do these things is you do do you sermon that take your offering and go see those days are gone folks You're gonna have to adjust your minds and things.

We're gonna have to start of being the Spirit of God He doesn't operate by a clock You understand what I mean and where the Spirit and anointing is they're refreshing that who would ever thought that you know? It's when they're anointing and the presence of God there. You don't wear out you you will feel refreshing This is kind of thing you get strength you get strength. You're gonna get the Word of God I've got some special things.

I want to share and Folks if I didn't have some special things, I'd just go on and because it you know and be easier But but I want some things and I I just get in the water minds as many as you can I wish you'd be back here and I'm just going to try to get done in a couple hours right here and Like are you glad you I didn't stop way back there and I finished up what the Lord wanted me to share there You see what I mean? If if any of you do not have a fellowship of where where you really love with a You know where they're not really loving and teaching in the Word of God and things I just really would recommend you to get an appointment and sit down with this pastor or associate right here and I can't always say that everywhere. I go. I really I usually don't I'll be honest with you Sometimes I do and sometimes I don't But I can say that here and I would reach you consider that if you don't have a place Where you're really going on with the Lord and everything and where you find out through the Word of God You're tied some wrong things I want you to that now I wish that Would like to ask you to move back the seats because there's some people that we want to see a ministry if you still have any needs At you and you want someone to pray for you for any particular illness or anything like that We would like for you to just come down here to front and we're going to have out Tommy and many of you that have worked with it for would you kind of just help pray for some of these people down in Front and I'm going to I'm going to turn this over to the pastor here right now That's going to be at 12 o'clock tomorrow
