So you're going to pray for yourself, and so in this manner, you're going to learn that you've got power in your prayer. I'm just going to tell you what to say and how to tear those strongholds down. And then when you leave here, you can be fruitful and go multiply.

See, that's going to build up your confidence. Seminar is not going to set you free. It's the Word of God that the Lord wants you to walk as a disciple.

You've got a big Jesus. So the main thing you need to do is repent, and what you're going to do when you get around home and as you're obeying and your children and things like that, you're just going to say, so when I have this in Jesus' name, and you're going to do the same thing over your family and children and so forth like as you do here. You've got authority in Jesus.

But everything I've been saying these three days is, you understand, it's not been a demon seminar, right? But we just, what we did deal with that part of gospel, what we're talking about is righteousness, Jesus is Lord, walking in covenant. That's what the whole thing has been about here. So this is what I'm telling you, you better walk with Jesus when you walk out that door right there, and don't retire from the Word.

Well for a short time, Brother, I'd just like for you to come up here and just play real softly and I want you just to put your total focus on the Lord, and I'm going to pray, and the Lord's Spirit will begin ministering so

you can stand up, you just get in your comfortable place however you want to be, and we're just going to spend some time in repentance. You deal with this unbelief or doubt or things in your heart and life that the Lord would have. Now let me tell you one other thing that's going to happen to you.

You have memories that come back, when they come up to you, they just break your heart. Could have been incest, it's amazing at the father's and daughter's situation that we've run into today. Many of you have gone through that, and I'm going to tell you something, what happened.

There was a demon that got in that thing to torment you the rest of your life over that. Do you hear me? They do things like that, and they can get ground in something like that, and it powers it on. It's what drove your father, and these kind of things to deal with it, and there's other ways that you could have been abused and hurt.

You could have been terribly rejected or jilted. Many things that your parents or things did, I'm going to tell you right now in Jesus' name. Boy, I'm telling you, God is just moving here.

He's going to remove all that hurt from you, right here today. You want to let him do that? Now, what he wants you to do, the Lord wants you to love him. Won't you love him right now, and just confess these things in your heart and turn from them.

You lay down, stand, sit, whatever you want to do. You're in liberty and freedom. You can make all around that seat right where you are right there.

If you're crowded, just find you another. Just get up and find you another seat. Get in your comfortable place right here, and you just begin, and you just do business with the Lord.

You're going to do your business with the Lord. You're going to be amazed what the Lord is going to do in your life right now. But the important, the key to this is repenting and turning.

Amen? Now, Lord, in the name of Jesus, I pray for a godly repentance over each one here right now in the name of Jesus. I pray, Father, we ask you, Holy Spirit, to come and minister in our hearts right now and to show us the things between you and us, the sins that's in our heart, Lord. And I ask you, God, to forgive us.

We humble ourself, and we ask you to cleanse our land, heal our land, and now we know our land is our bodies. So we humble ourself before you, Lord. Thank you, Lord, that you're just ministering right now in Jesus' name.

Praise your blessed name. Son of God, thank you for my brothers and sisters, Lord. Lord, thank you that your grace is just moving.

Praise your name. You all just cry out or however you want to do before the Lord. I'm telling you, you are free and liberty if you cry out to that precious, precious Lord.

Will you just stand on your feet now, please? Won't you stand on your feet with your eyes closed, please? All right, now, I want your eyes closed, every eye closed here right now. Now, I want to tell you this. It's very important you need to listen to me because I know when I'm doing this, it's my part that your eyes and your focus totally be on the Lord Jesus Christ.

Now, from this point on, you don't let your mind drift off. Do you understand that? Now, you have control over your mind. You want to get your mind thinking about mechanics or back there somewhere, just don't do it.

Now, your mind is totally on the Lord Jesus Christ, okay? Now, I want to begin leading you where we're going to the throne of grace in time of need according to Hebrews 4. Isn't that right? So now, I want you just to follow me and we're going to begin working on these strongholds. Heavenly Father, I come before your throne of grace and I submit myself to the Lordship of Jesus. I humble myself before you and I submit to the word in the name of Jesus.

I come to confess sin, to receive grace, healing, deliverance because I'm in need. And for you to heal my land, I come to receive your word that you sent to heal me. And Lord Jesus, I come with a repentant heart and I turn from everything in my life that's not pleasing you to walk in a manner worthy of you to please you and to bear fruit.

Now, I take my place in the heavenly places in Jesus as I set my mind, my heart and will to obey you, Lord, and to do your will. Now, Lord Jesus, you give me a free will and now in Jesus' name, I receive the grace and the word to bind and remove every hindrance to me not having a free will. Now, all the works of darkness are separated, sealed by the blood and bound that they can't work against my mind, will and emotions.

I ask your forgiveness and I ask you to bind them and restrain them that I can give my will totally to you. And now, Lord Jesus, I thank you that you give me authority over all the works of darkness and I remove all the works of darkness, the works of doubt, unbelief, curses, legalism, traditions, forgetfulness, mind-binding, confusion and every work of darkness is now sealed by the blood and removed in Jesus' name that they'll not hinder the work of the Holy Spirit in me now in Jesus' name. Now, Lord Jesus, I want to confess to you the sin of doubt and unbelief, skepticism and in Jesus' name, Lord, I take my place and I'm a believer and in your name I cast out demons.

So from your throne, I receive forgiveness, grace, the Word and the blood. I move from out and under the law, I move under grace, I receive the finished works of Calvary, I remove every work of heresy, doubt, unbelief, skepticism right now in Jesus' name. I proclaim my freedom from all these works and inroads in Jesus' name.

I'm free in the name of Jesus. I've given authority over all the works of darkness. Now, Lord Jesus, I ask your forgiveness for the sin of unforgiveness and resentment, bitterness.

In Jesus' name, I choose with my will to love and forgive everyone that's ever hurt me. So from your throne of grace, I receive forgiveness, I receive love and forgiveness. Love and forgiveness is right now flowing through me to everyone that's ever hurt me.

And with my will right now, I give to you and I'll go to anyone you show me, Lord, to make things right with them. And as I receive forgiveness, I receive grace, the Word and the blood, I right now break the curse of unforgiveness. You became a curse for me at Calvary.

I break the curse of bitterness, resentment, anger, hate, murder, and all the diseases. Arthritis and pain and all others that's given ground to come in through unforgiveness. Your Word is life to me and health to my flesh.

And now in Jesus' name, with the Word and the blood, I remove all these works. Right now in Jesus' name. I'm under grace.

I receive the finished works of Calvary. And I proclaim my freedom. Right now in Jesus' name.

I release all the works of unforgiveness. I have the mind of Christ. I release all bitterness.

The works of doubt and unbelief. And now in the name of Jesus, I release the works of confusion. All confusion.

Mind-binding is removed with the Word and the blood. I have the mind of Christ. I'm under grace.

And I proclaim my freedom right now in Jesus' name. I plead the blood. I receive the blood.

I possess the land. I overcome by the blood of the Lamb. And the Word of my testimony.

I always triumph. In the name of Jesus. And now in the name of Jesus, Lord.

I ask you to bring to my mind. All the hurting memories. That's hurt me throughout my life.

I bring them to my mind right now, Lord. That I might hold them there. And that you would heal them.

In Jesus' name. Now I want to tell you what's going to happen. You keep your eyes closed now.

The Lord is going to begin bringing those memories. If you need to cry out any hurt, you just express however you want to. Because you hold those memories right there.

And then he's going to remove all of this demonic hurt from these memories. Now when you remember it later on, they'll not hurt you. It won't absolutely be erased from your memory.

But when it comes back to your mind, it will not hurt you anymore. Now you just let the Lord just bring these memories up. And then we're going to ask him to heal them, okay? God resist the proud and give grace to the humble.

Now you just make sure you humble in yourself before the Lord during these things. The Lord is doing a tremendous work in here, folks. It's going to get better and better.

He's sent his word to heal you. Now you just cry out to him. However you just bring those memories up.

Let him bring them up. Let him bring those memories up. Alright, now let's just let him heal these memories right now.

Heavenly Father, I now bring these hurting memories before your throne of grace and now I receive your word and your grace and with you I remove in Jesus' name all the hurt of these memories. Right now in Jesus' name I release these hurts. These hurts are removed in Jesus' name.

And I receive the finished works of Calvary and I proclaim my freedom. I'm under grace from all these hurting memories all the hurt in Jesus' name. And now in Jesus' name, Lord I pray that you bring up the rest of the hurting memories to me now in Jesus' name.

Alright, now let him just bring them up and you just hold them right there. So he can just remove the hurt of them. Your lives are going to be so changed and different you'll hardly even be able to stand it, folks.

Alright, let's let the Lord take the hurt of these memories. Heavenly Father, these hurting memories I lift up to your throne of grace I receive your word in the blood and remove all the hurt of these memories I break every curse over them and I receive your word which is heal me of all these hurting memories in the name of Jesus. Praise the Lord. Thank you, Lord. Hallelujah.

Let's just praise Him. Praise Him a little bit. Praise your name.

Now, you know, they're doing a tremendous work in your life right now. Now, let me tell you what I want to tell you. Now, I want you to listen carefully to what I say.

Keep your eyes closed. We're not through. Now, I want you to listen to me.

Now, right now, we're going to pray for one another. See, instead of the man standing up here and doing all the praying, we're going to pray for one another. And there's some people in here that's really been

hurting that you're going to put your hands on, and I'm going to tell you the Lord's going to work through you.

Now, everybody just keep your eyes closed here just a minute. And now, what's going to happen next is when we get through praying, I'm going to tell you that we're going to start a praise time here. Now, folks, this is why the enemy has not wanted us to pray to be free, because that is the part that pulls the trigger.

Now, if you listen very carefully to what something tells you to dart on out of here, well, then you're going to miss something. Now, I'm going to tell you that when we get in this praise, this praise is what pulls the trigger and all this authority. Now, you've been released.

You know you've been released from a bunch, right? All right, there's a bunch more that's going to come while you're praising and loving the Lord. But first, we're going to pray for one another, and then we're going to praise. And I want to tell you, it's during this time of praise, folks, that this stuff and God is just moving in an unusual way in here right now.

Now, I want you to have some special needs right now. I want you just to raise up your hand, because some people are going to get around you. Now, folks, look at these people that's got their hands up right now, and I want you to move around them.

I want you to move around them quickly right now. Just move around these people who have these needs. Now, this is what the body of Christ is supposed to be.

It's not a man coming to tell. We move around them quickly. Now, it's not going to be any fancy way that you're going to pray or anything.

Anybody can do it, and don't let something talk your mind out of it. Just move right around these hurting people. Now, that's what we do.

Here's a lady right over here who's got her hands up. Would you just get over there and do it as quickly right now? Now, the Lord healed you. He wants to work through you.

Now, find out what you're praying for that person for right there. Just find out what you're praying for him. Find out what you're praying.

All right. Now, just speak healing Scripture. Just speak the Word.

And the Lord's Word is life to them and health to all their whole flesh. You take authority over all these things and remove them. Now, you're going to be amazed what's going through and happening to you right now.

Thank you, Lord, that your Word is life to them and health to all their whole flesh. You forgave all their iniquities. You healed all their diseases.

By the stripes of Jesus, they are healed in Jesus' name. We lay hands on the sick and they shall recover in the name of Jesus. Thank you, Lord.

Thank you, Lord, that you work with us. You confirm the Word and signs follow in the name of Jesus. And signs follow in Jesus' name that we are free.

Our body is the temple of the Holy Ghost. We release those diseases right now in the name of Jesus. We receive your Word you sent to heal them, Lord.

Your Word is working over them right now. Your Word is performing its work in them. All these diseases.

Now, don't be in any hurry. Just keep praying. Keep praying.

Thank you, Lord, that this Word is working in them right now in the name of Jesus. Thank you, Lord. Praise your name, Lord, that you're working in them right now.

That your Word doesn't return void. That you sent your Word to heal them. Your Word is life to them and health to all their whole flesh.

That you always triumph in the name of Jesus. Thank you, Lord. Now, don't be in a hurry.

Just keep praying. It takes a little while right here, but it's working. Thank you, Lord.

Praise your name. Thank you, Lord. Now, the Lord is just working.

I'm going to tell you the glory of the Lord is all over you. Thank you, Lord. Now, He's working, and He's healing right now, and He's setting free in Jesus' name.

You've received the Word. The Word's performing its work in you. He sent His Word to heal you.

His Word is life to you and health to all your whole flesh. The Word doesn't return void. The Word doesn't return void.

Praise the Lord. Praise the Lord. Thank you, Lord.

Thank you, Lord. All infirmity and all... Now, in Jesus' name. All right, has anyone here had any problem with barrenness, not being able to have children, man or woman? Is there any problems you've had in that respect right there? All right, pray for them right there.

I want you to pray for him. We're going to break that curse. There's a lady right there.

Pray for her about not having children. I want to tell you that's a curse, and it's the powers of darkness. Just pray for her.

Just put your arm around her right now. We remove and separate the blood, all these works of barrenness. We break this curse and remove them right now in Jesus' name.

Let's do it. That's it. Go have babies.

That's all it is. Do it. All right, now, in Jesus' name.

All right, now, someone right now. I want you just to see. This is not psychic.

I want you all to look at one another's faces, how bright it is right there in white. Just look at one another and see the shine on one another's faces. Do you see there? Now, see, that's the Lord working in your midst right there.

That's the Lord working in your midst. Now, right now, let me tell you something. Anybody who has a need right now, you better lift up your hand.

If you have a need and want somebody to pray for you, lift up your hand. That lady over there has got a need. Now, don't go home with a need right here.

Go over and pray for her. Get around her right now over there. All right, who else? Raise up your hand.

Right here, get around this lady right here, right now. Come on, just move right in here with her. You all just move.

Don't let somebody else do it. You move. All right, now, who else right there has a need? Right here, this young man right there.

Just gather around that young man and begin praying for him right there. Just pray. I don't want you praying for him.

Just take authority over him. Who else has a need right here? Move around that young man quickly right back there. Hold your hand up, young man, so he can see you there.

Hold your hand up right there. Just move around him. Keep your hand up in the air so he can see you.

Okay. Who else back there? All right, everyone else have a need. All right, right over here.

Just move right around that man right there. Just move on around them right there. I want you to know the Lord is working madly through you right now.

Amen. Praise you, Lord. Hallelujah.

Praise you, Lord. All right, now, I'll tell you one other thing. Don't you be skipping out of here too soon because I'm going to tell you the important part is coming up.

That's where we praise the Lord. We're just going to throw a fit here, really. Praise the Lord.

All right, now, let me ask you something. Let me ask you. I want to tell you something right now.

Now, folks, I want you just to get lost in Jesus. I want you to forget these things you've been programmed and you've been learned. I'm telling you that Jesus is worth something to be celebrated in.

Now, let me tell you something. Are you listening to me? Are you listening? Now, look at me. Now, in the name of Jesus, when you're celebrating in Him, and this time appraise what pulls the trigger for the powers of darkness.

See, we never would cry out to the Lord, and we never would praise Him, and that's the reason we stay like we are. We wouldn't cry out to Him or praise Him. Now, I'm telling you, cry it out, praise Him.

You can try it any way you want to, but when you humble yourself and you cry out and you praise the Lord, I'm telling you, you just start telling Jesus how much you love Him. And, brother, will you just start right here and just... Yes, let's start singing. Now, let's just praise and love the Lord here.

Wow. Oh, it's done. Yes, it's done.

Oh, it's done. Yes, it's done. By the precious blood of Jesus, the battle is won.

Yes, it's done. Yes, it's done. Oh, it's done.

Yes, it's done. By the precious blood of Jesus, the battle is won. Oh, hallelujah.

I am free. Thank you, Jesus. You did it all for me.

Oh, hallelujah. I am free. Thank you, Jesus.

You did it all for me. Oh, it's done. Yes, it's done.

Oh, it's done. Yes, it's done. By the precious blood of Jesus, the battle is won.

Oh, it's done. Yes, it's done. Oh, it's done.

Yes, it's done. By the precious blood of Jesus, the battle is won. Oh, hallelujah.

I am free. Thank you, Jesus. We will celebrate our God.

We will celebrate our God. Let His banners be raised. Let His glory be praised.

Let His banners be raised. Let His glory be praised. We will celebrate our God.

Oh, what a mighty God we serve. What a mighty, what a mighty God we serve. What a mighty God we serve.
