## Transcript

The problem, when you lay it up here, and the moth comes and gets it, then it's gone. You lost it. And then it's not like, oh, you can empty your pockets out on judgment day and like barter with God.

We know this, riches do not profit in the day of wrath. Righteousness delivers from death. Ezekiel says their silver and their gold are not able to deliver them in the day of the wrath of the Lord.

Psalms 49 says truly no man can give to God the price of his life. The ransom of their life is costly and can never suffice. Brethren, you know what it's basically saying? You do not want to trust in that which is going to fail you in the hour of your death.

Don't go there.
