## Description

Timothy Tow delivers a sermon exposing the attacks on defenders of the King James Bible by the Bob Jones University Group, highlighting the accusations of misinformation and lack of theological understanding against those who defend the KJV. He reveals the dark history of Westcott and Hort, founders of the Hermes Club, who were involved in necromancy, homosexuality, and secret worship of Mary, denying fundamental Christian beliefs. Tow emphasizes the importance of standing firm against deception and false teachings, urging believers to have a heart like King David's, filled with holy hatred towards those who speak against God and His Word.

## Transcript

In the Church Weekly of BPCWA, June 18, 2000 there comes a report from Dr S. H. Tow on Defenders of the KJB being attacked by the Bob Jones University Group. King James Bible defenders are ridiculed and accused of causing problems "because of the mass of misinformation" and "because of their lack of theological understanding and biblical language training are not qualified to speak on the issues." These accusations were made in a newly-published book "From the Mind of God to the Mind of Man" : A Layman's Guide to How We Got Our Bible (1999, Ambassador-Emerald Press, Greenville , South Carolina ). This book calls the defence of the KJV a "cancerous sore" that has resulted in "a deplorable condition in fundamentalism." Dr D.A. Waite, Th.D., Ph.D., President of Dean Burgon Soc. is named as one who has joined in the "parade of misinformers." (This report by Dr S.H. Tow is based on David Cloud in O Timothy Vol 16, Issue 11, 1999.)

While exalting themselves to be qualified to deal with Textual Criticism and running down their brethren as being misinformed and unqualified for lack of theological understanding, etc., they also try to defend Westcott and Hort as true evangelical scholars and godly men who have been wrongly maligned by KJB-only proponents.

There is a saying, "Truth Will Out." We have now widespread evidence that both Westcott and Hort were Necromancers. They were founders of the Hermes Club which was infested with homosexuality, which developed into a Ghost Club, nicknamed the Bogey club (Bogey means Devil). W&H were friends of

Charles Darwin and Sigmund Freud (which The Straits Times called a Fraud). They were secret worshippers of Mary. They ridiculed Evangelical Christians. They denied every fundamental of the Faith, and called the Temptation and Fall a myth.

In 1948, both Dr Waite in Dallas Seminary and I in Faith Seminary were taught to receive Westcott and Hort as angels of light. When Dr Waite left Seminary, his eyes were opened to their Satanic character and evil doctrines. Westcott and Hort found their way to change and chop the Traditional Textus Receptus on which the KJB is based. They cut off the passage of Jesus pardoning the woman taken in adultery, the last 12 verses of Mark and the Johannine Comma (I John 5:7,8) from the Bible. These changed and deleted 10,000 words which amounts to 8 chapters of I and II Peter.

When I disclosed their true colours and all these devilish attacks on our Lord and His Holy Word, my loving heart for my Saviour awoke to the deadly deception. I joined King David, a man after God's own heart, "Surely thou wilt slay the wicked, O God: depart from me therefore, ye bloody men. For they speak against thee wickedly, and thine enemies take thy name in vain. Do not I hate them, O LORD, that hate thee? and am not I grieved with those that rise up against thee? I hate them with perfect hatred: I count them mine enemies" (Ps 139:19-22).

In an article published in the Burning Bush, the Voice of Far Eastern Bible College, Singapore, titled, "Holy Hatred," I wrote more specifically on the evils of W&H, the Deadly Duo. If I am wrong let my learned brethren of Bob Jones University take me to task.

There is one thing hidden away from our generation, which I uncover here concerning W&H that shows the Almighty's punitive action. In order to supplant the venerable KJB, they put out what is called the Revised Version of 1881. In 1935 the Revised Version was still in circulation, for I bought a copy. I remember how W&H changed the "All Scripture is given by inspiration of God" (II Tim 3:16 ) to "Every Scripture given by inspiration of God," and I, at that young age, had smelt a rat. But soon thereafter the RV went out of circulation. It died a cancerous death. "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them" (Matt 7:18 -20).

The NIV which departs from the Textus Receptus and seems to be supplanting the KJB is based on W&H's corrupt text, but with more and more Defenders of the KJB raised up of God, the Battle for the true Bible is just hotting up. Fundamental brethren who pride themselves over their head knowledge but do not serve their Lord heartily with David will lose out in the end, "For we can do nothing against the truth, but for the truth" (II Cor 13:8). Amen.
